USEFUL CHURCHMAN RESIGNS POSITION

A. L. Boatright To Leave Paris For
Position With Hopkinsville
Christian Church

RESIGNATION EFFECTIVE JAN. 1

We are reliably informed that Prof. A. L. Boatright has resigned his position with the Paris Christian church, and has accepted a similar position with the Christian church at Hopkinsville, the resignation to be effective December 31.

Mr. Boatright has been with the Christian church since 1913, he and his family having moved here in the fall of that year from Iola, Kansas. During that time he has filled most acceptably the positions of choir director, assistant pastor, clerk of the church, Bible School Superintendent, and, in addition to these duties, has voluntarily gone about doing good wherever it could be done. The membership of the Paris Christian church is well above the 1,500 mark, but Prof. Boatright has so familiarized himself with it that he not only knows each and every one by name, but by sight.

We wish to congratulate not only the Christian church of Hopkinsville, but the whole citizenship of Christian county, upon securing the services of this wholehearted, honorable, Christian gentleman, for we know he will be as efficient and conscientious in his new surroundings as he was in his old.

As a musician, Prof. Boatright stands at the head of his profession in the State among the Christian brotherhood and is well and favorably known the country over, having conducted the singing for National, State and District Conventions, and for a very great many revivals. His voice is a baritone of richness, power and scope, and he is equally at home singing the simple, old-time religious hymns or the classics of the religious song world.

In addition to this he is a teacher of much ability of voice culture, having had under his care some of the grand opera singers of national reputation. It is impossible to enumerate the things musical accomplished by Prof. Boatright while in Paris, for he has always been to the forefront of them all—courses, community war singing, recital, bands and orchestras—and has always been the one of all others who could be relied upon, no matter what the weather, bad roads or the distance, by the rich or the poor, the high or the low, when death has entered our homes and carried away some of our loved ones, and we longed for the songs of consolation he was so capable in rendering. Because Prof. Boatright loved so to serve he was "Brother Boatright" to most of our citizens, and we know of nothing we could say that would redound more to his honor than this: "He Served Humanity." Many is the heart that will miss him when the wintry winds are blowing!

It goes without saying, but we wish to say it anyway, his word was his bond, and was always above par. We commend him to the very limit of our power to commend, to the people of Christian county, and with him his whole family. Mrs. Boatright has always been much interested in her church work, and for several years has had under her care in the Bible School a class of the younger boys. By her unassuming manner and sweet Christian spirit she has endeared herself to the community at large and she will be greatly missed.

Miss Esther Boatright will occupy the position of organist in the Hopkinsville church, and, judging from her work here, we know she will give complete satisfaction there, as she is a musician of rare natural ability, and in addition to this is a hard student and performs either at the piano or organ with splendid judgment and technique.

We regret exceedingly that we are to lose this most excellent family, but what is our loss is Hopkinsville's gain. We wish for every member all of the joys of this life, for we know of none that deserves them more. It is often remarked that no matter who the man may be nor what position he may occupy his place can always be filled. We wonder!

PARISIANS BOOST TOBACCO CAMPAIGN IN HARRISON

With thirty new contracts amounting to 136,650 pounds of tobacco signed up in the last few days, Bourbon county growers have to date signed up a total of 7,704,911 pounds, or about ninety-five per cent of the crop, in the Co-operative Burley Tobacco Marketing Association. It now looks as if it will not be many days before one hundred per cent of the crop will be signed up for the marketing plan.

About three hundred Bourbon county farmers and Paris business men, in autos, accompanied by the Paris City Band, went to Cynthiana, yesterday, to assist in the campaign being waged there in the interest of the marketing plan, and to hear the address at the court house by Hon. Robert W. Bingham, owner of the Louisville Courier-Journal and Times. The delegation wore large white ribbon badges announcing their affiliation with the movement. In the large delegation were James M. Caldwell, Sam Clay, Arthur B. Hancock, James McClure, Julian Frank and many others who have been prominently identified with the campaign in Bourbon county. The Bourbon county people returned late in the afternoon.

FISH FRY AT XALAPA FARM

Bourbon County Fish Club And
Their Guests Spend An
Enjoyable Day

BIG FRY AND LITTLE FRY

The Bourbon County Fish and Game Club was host Tuesday at a barbecue given to about two hundred and fifty invited guests in a woodland on the Xalapa Farm of E. F. Simms, near Paris. The gathering was a representative one, comprising ministers, bankers, lawyers and business men, and there were delegations from Lexington, Winchester, Shelbyville, Cynthiana, and a number of other Central Kentucky towns. The object of the gathering together of these leading citizens of the Bluegrass was to endeavor to impress upon them the splendid work which is being done in Bourbon county by the Fish and Game Club in their efforts to enforce the recent laws along these lines passed by the State Legislature, and to further impress upon them the great good the county is deriving from it.

During the early hours of the morning the weather was threatening, but about noon the sun broke through the rapidly disappearing clouds and shone brightly among the vari-colored hues of the foliage of the forest trees, which are never so beautiful as in the early fall. The location was an ideal one. The splendid turnpike from Paris led to the gates of the farm, through which asphalt driveways lined with overhanging trees, brought the visitors to the large woodland, with its deep carpet of bluegrass and sturdy oak and maple trees clad in their early autumn dress. Long before the first guest arrived preparations for the feast to be served were well under way. Deep trenches had been dug, and over these were placed the mutton to be barbecued. Over other trenches large caldrons sent forth the appetizing aroma of burgoo. Still other trenches held mammoth pans in which were being fried a crisp brown hundreds of bass, newlights, bream and other species of fish. At 1 o'clock, after the appetites of the guests had been whetted by the smell of the cooking, the call for dinner was announced, and following the giving of thanks by Rev. T. S. Smylie, pastor of the Paris Presbyterian church, the guests formed in double file, and proceeded to the large table, where the following menu awaited them:

Burgoo, barbecued lamb, fried fish, old county ham, fried chicken, hard boiled eggs, beaten biscuit, sandwiches, pickles, cakes, dough nuts, coffee and cigars.

After the inner man had been fully satisfied addresses were made by Judge James G. Denny, of Lexington, J. Quincy Ward, of Cynthiana, Sam Clay, of Paris, and Mr. Noonan, of Winchester. Judge Denny said that in his opinion there was no place in the South where the spirit of comradeship and true sportsmanship were more fully developed than in Bourbon county. He paid a tribute to E. F. Simms, owner of Xalapa Farm, whom he said was one of America's foremost sportsmen, and also to the memory of the late Thomas Henry Clay, Jr., whom he termed the prince of all sports. Judge Denny praised the efficient service given the people of the State by J. Quincy Ward, former head of the State Fish and Game Commission. Bourbon county, he said, is leading in the great work mapped out by the Fish and Game Commission in endeavoring to conserve the fish and game of the State. He pledged the hearty co-operation of Fayette county.

Mr. Ward said he considered Bourbon county to be one of, if not the best county in the State. He blushed for shame, he said, to have it said that there had been thirty-eight convictions in the county recently for violations of the fish and game laws. Game and fish in Kentucky, he said, in the matter of food alone, amounted to a sum of at least \$3,000,000 annually. He advocated an increased hunting license, to be a joint fishing and hunting one, with children and women free. He concluded by urging the farmers and tobacco growers to do all in their power to advance the final success of the proposed Co-operative Burley Tobacco Marketing Association, which meant so much to the farmers and business men. Mr. Noonan and Sam Clay followed with interesting speeches. Among the visitors present were the following:

From Clark county, John D. Foote, T. H. Hampton, R. A. J. Huls, N. E. Ellis, C. D. Huls, Gus G. Hunt, Joseph Martin, Michael Toohey, John Conway, H. H. Duvall, Kenney Orr Keller, J. H. Lewis, Harvey Duvall, David Davis, Linville Jackson, J. P. Toohey, John Garner, Nelson Strode, D. C. Dunnican, Wm. Garner, P. B. Wines, A. P. Evans, J. H. Lewis, L. B. Rye, J. O. Evans, Chas. P. ARRESTED ON SERIOUS CHARGE

Harry L. Mitchell, Former Parisian
Charged With a Statutory
Offense

CONFINED IN REFORMATORY

Charged with a serious offense, an alleged criminal assault on an eleven-year-old Lexington girl, Mildred Sorrell, Harry L. Mitchell, of that city, a former resident of Paris, is a prisoner in the Frankfort Reformatory, where he was taken Tuesday night, for safe-keeping, on an order from Circuit Judge Stoll. Mitchell stoutly maintains his innocence, and denies even knowing the girl.

The girl first told her parents that she had been assaulted in Duncan park by a colored man, and later made a confession, in which she stated that her first accusation was untrue, and that she had been enticed into an automobile driven by Harry L. Mitchell, of 611 Elsmore Park, and that he was the one who had assaulted her, threatening her with death if she told of the occurrence. The alleged assault, she said, was committed in Mitchell's automobile while driving on the Winchester pike, near Lexington, Sunday night.

Mitchell was arrested by Lexington police and detectives at his home Tuesday night, following the girl's confession, and was taken in an automobile immediately afterward to the Frankfort Reformatory by order of Circuit Judge Stoll. Warrants for his arrest had been sworn out by the girl's father, Henry Sorrell, of Lexington. Two indictments were returned against him by a special grand jury Monday afternoon, and were served before the prisoner was taken to Frankfort. At the Reformatory, Mitchell stoutly denied the assault and stated that he did not even know the child, that he had never taken any young girl in his machine, and that the only time he was ever in Duncan Park was when he had taken his adopted son, Jack Mitchell, for a ride.

Mitchell was visited in the Reformatory by his son, Wm. Mitchell, accompanied by his attorneys, Robt. Franklin, of Lexington, and Robert C. Talbott, of Paris, who made arrangements for defending their client. William Mitchell stated that he knew beyond the shadow of a doubt that his father was innocent of the charge.

It is believed Mitchell will be arraigned some time next week and the two indictments returned by the grand jury Monday in the name of John Doe read to him.

No further statement concerning the facts of the case was made by the authorities. Police, it is known, are continuing their work on the case and are obtaining witnesses. Just what the proof to be offered by the Commonwealth will be for the most part a secret, while members of the law firm of Franklin, Talbott & Chapman, attorneys for Mitchell, also have declined to make any statement bearing on the case.

Mitchell, however, will be kept in the Reformatory until his trial as he is not eligible for bail.

The news of Mr. Mitchell's arrest came as a shock to the people of Paris, many of whom have been his warm personal friends. Many claim that the serious accident in which he was a victim on the L. & N. railroad several years ago, had left him in such a condition, physically and mentally, as not to be responsible for his acts. At the trial of the case in the Bourbon Circuit Court, many reputable physicians gave testimony to his impaired mental and physical condition.

Mr. Mitchell was formerly in the employ of the L. & N. railroad as a freight conductor until he was incapacitated by an accident. Following the accident he brought suit against the L. & N. and was awarded a verdict for \$30,000, which was upheld by a decision of the Court of Appeals. Mr. Mitchell opened a real estate office in Paris with his son, William Mitchell, as partner, and did a successful business. Some ago he disposed of his Paris home and moved with his family to Lexington, retaining his Paris business in charge of his son, making daily trips to and from Lexington.

BIBLE CONFERENCE ON "CHRISTIAN FUNDAMENTALS"

Interest in the Bible Conferences on Christian Fundamentals grows day by day. Evening congregations have grown so large that the largest auditorium at our disposal is needed and for that reason all evening conferences from now on will be held at the Christian church.

On Wednesday evening Dr. L. W. Munhill delivered a sermon on "The Resurrection" that held his large audience spell-bound for more than an hour. On Thursday evening he delivered his famous sermon-lecture on "The Book of Books." Mr. Moods declared this to be the finest single lecture he ever heard. On Friday, by special request, Dr. Munhill will speak to the faculty and students of the Kentucky Wesleyan College at Winchester. His place will be taken that morning by Dr. J. W. Lawrence, who was here earlier in the week, and he will return for later appointments.

Dr. W. B. Riley, the head of the Bible Fundamentals Conference Movement, is due here Saturday and will also be here for Sunday afternoon and evening. On Sunday the conferences will be held at the Baptist church at 3:00 p. m. and at the Christian church at 7:30 p. m.

Declaring she was actually starving to keep from suffering awful misery, Mrs. Amy Peterson, wife of a prosperous farmer of Lakeville, Mass., gave out a remarkable statement recently, in connection with her relief through the use of Tanlac. "Sometimes I wonder how I lived through it all," she said. "I would have attacks of acute indigestion nearly every time I ate anything. Those terrible cramping pains and the distress from gas and bloating were almost unbearable and I just thought there was no hope for me. "But now I am eating anything and I feel as strong and well as I ever felt in my life. I've gained back all the weight I lost and six pounds besides and I know from my experience what Tanlac will do. It's the best medicine in the world." Tanlac and Tanlac Vegetable Pills are sold by all leading drug stores. (adv)

Get the habit of forming an opinion of your own—regardless of whether you are right or wrong. Make up your mind about things. Know what you are talking about, and why you say what you do.

Pity the poor calves these frosty mornings that have nothing to protect them from the chilly blasts but the thinnest of silk hosiery. Pity them—but at the same time didn't overlook them.

Squirrel hunters are complaining that the rustling of leaves caused by morning winds frightens the little animals away so the hunters cannot shoot them. The alibi of a bum shot is at least plausible.

Sundry rather complicated recipes for making "fruit leather" have been published, but if leather is what you want to eat ask the butcher for the steak that's "about that size, but not so expensive."

Success lies in mutual service. How can we best serve humanity? What is the attitude of mind that makes for success? The warp and woof of success is friendship. We make our money out of our friends. Our enemies will not deal with us if they can help it, and they usually can.

Paris woman in handsome auto drove up to the White Front Garage a few days ago and called to Joe Davis. "My husband says the batteries of our car need attention. Please see to it," Mr. Davis obligingly called one of his assistants and had the necessary work done. The woman began to tune up her machine preparatory to getting a start, when Mr. Davis remarked, "Three dollars, please, Mrs. B— for battery service." "What!" exclaimed the woman. "My husband didn't say anything about paying cash. He told me to tell you to charge these batteries. Now charge it," and she drove away indignantly leaving Joe standing in a quandary.

MOTHER! CLEAN CHILD'S BOWELS WITH CALIFORNIA FIG SYRUP

Even a sick child loves the "fruity" taste of "California Fig Syrup." If the little tongue is coated, or if your child is listless, cross, feverish, full of cold, or has colic, give a teaspoonful to cleanse the liver and bowels. Millions of mothers keep "California Fig Syrup" handy. They know a teaspoonful to-day saves a sick child to-morrow. Ask your druggist for genuine "California Fig Syrup" which has directions for babies and children of all ages printed on bottle. Mother! SUFFERED SEVEN LONG YEARS

Finally Relieved by taking
Lydia E. Pinkham's Vegetable Compound

Ravenswood, W. Va. — "For seven long years I suffered from a female trouble and inflammation so that I was not able to do my housework. I consulted several doctors but none seemed to give me relief. I read in a paper about Lydia E. Pinkham's Vegetable Compound so I decided to try it, and before the first bottle was gone I found great relief so I continued using it until I had taken eight bottles. Now I am very well and can do my own housework. I can gladly recommend Lydia E. Pinkham's medicine to suffering women." — Mrs. BERTHA LIERING, R. F. D., Ravenswood, W. Va.

The ordinary day of most housewives is a ceaseless treadmill of washing, cooking, cleaning, mending, sweeping, dusting and caring for little ones. How much harder the tasks when some derangement of the system causes headaches, backaches, bearing-down pains and nervousness. Every such woman should profit by Mrs. Liering's experience. Remember this, for over forty years Lydia E. Pinkham's Vegetable Compound has been restoring health.

CHICAGO JUDGE FOR "FREEDOM OF PRESS"

Judge Harry Fisher sustained the demurrer of the Chicago Tribune to the \$10,000,000 libel suit brought by the city of Chicago. He declared the city had no cause for action and denied it the right to amend its petition.

The city brought identical suits against the Tribune and the Daily News, claiming the papers had printed false statements regarding Chicago's financial standing and thereby injured the city's credit.

Judge Fisher declared the portions of English common law and statutes which restricted the liberty of the press had not been inherited by this country. This action, he said, "is not in harmony with the genius, spirit and objects of our institutions."

The decision was of far-reaching importance to newspapers, as the suit was the first on record in which a municipality sought to restrict the right to criticize its corporate acts.

Each house contains 7 rooms, 2 halls, bath front and back porches, 5 big presses and pantry. Both houses are on concrete foundation and have asphalt shingle roof. Concrete pavement will be laid in front and houses will be fully screened piped for gas and fitted with electric lights.

These are both high class homes, built with the idea of getting the most comfort and convenience for the money invested.

We believe we can make the price on these homes as low as it is possible to build them and as low as it will be possible to build them for several years.

Lowest Prices Ever Quoted**on Titan and International Tractors**

The Harvester Company has made another big price cut on Titan and International Tractors. This reduction wipes out all former advances and puts these tractors at the lowest prices at which they have ever been sold. We are offering:

International 8-16, \$900

This price is about one-fourth less than that of March 1, 1921. The new price includes all necessary equipment—platform, fenders, governor, belt pulley—which cost extra on some tractors.

Titan 10-20, \$900

This is the lowest price ever quoted on the Titan, considering equipment included (formerly sold extra). At this price the Titan 3-plow tractor is the best value in the farm power field.

International 15-30, \$1,750

This also is lower than any former price. You cannot find a better 4-plow tractor for the money.

All prices are f. o. b. Chicago. The Harvester Company advises us these prices are made regardless of manufacturing costs and that they do not guarantee to maintain them. These prices certainly justify the immediate purchase of a tractor.

We can arrange suitable terms for you. Come in and see us.

RELIGIOUS CENSUS TAKEN AT STATE PRISON

More than one-half of the prisoners confined in the Kentucky State Reformatory are Baptists, according to a recent religious census made at the institution by the State Board of Charities and Corrections. At the time the census was made there were 1,127 prisoners on the reformatory roll and 592 gave their religion as Baptist. Seventy-eight professed no religion at all and thirteen had no choice in the matter.

The remaining 434 prisoners are divided as to religion as follows: Episcopalian, 5; Hebrews, 2; Lutherans, 5; Protestants, 19; Reformers, 1; Presbyterians, 23; Christian, 118; Methodist, 177; Holiness, 12; Missionaries, Congregationalist, Mormons, one each; Catholics, 79.

COUNTY TAXES READY

Deputy Sheriff James Gibson has completed work on the tax books for the year 1921, and has made out all the tax bills for the county. These are now in the office of Sheriff W. G. McClintock ready for the taxpayers. Mr. Gibson worked day and night for several weeks making up the tax lists, completing the records and making out tax receipts, and made a complete and satisfactory job of it. Several hundred taxpayers have already paid a visit to the Sheriff's office, and paid their taxes, amounting to thousands of dollars. The penalty takes effect November 1. Better be in time and save trouble and expense.

KEEP LOOKING FOR IT

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to be young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that natural buoyancy which all should enjoy by toning up the liver and clearing the system of impurities. Dr. Edwards' Olive Tablets are known by their olive color. 15c and 30c.

FIRST NUMBER OF THE LYCEUM COURSE

The famous Ischarkowsky Quartette will be presented to the public October 29th, when the first number of the Lyceum Course is given. Ischarkowsky is one of the greatest composers in the world and he has chosen musicians of wonderful ability to assist him. The quartette, consisting of two violins, a cello and the piano, will furnish real music. It will be music, too, that every one can understand, appreciate and love.

The concert will be combined with dramatic interpretations by Janie Gordon Weltman, who will read selections from the most celebrated masters. The quartette will assist her in her dramatic effort and the whole program will emphasize the superiority of the Ischarkowsky concert over any other that has been offered to the American public.

MOTHER! MOVE CHILD'S BOWELS WITH CALIFORNIA FIG SYRUP

Hurry mother! Even a sick child loves the "fruity" taste of "California Fig Syrup" and it never fails to open the bowels. A teaspoonful to-day may prevent a sick child tomorrow. If constipated, bilious, feverish, fretful, has cold, colic, or if stomach is sour, tongue coated, breath bad, remember a good clanging of the little bowels is often all that is necessary.

Ask your druggist for genuine "California Fig Syrup" which has direction for babies and children of all ages printed on bottle. Mother! You must say "California" or you may get an imitation fig syrup. (F-tf)

APPELLATE COURT UPHOLDS SENIORITY RULE

Holding that the seniority rule which governed railroad conductors during the time that railroads were under government control is still in effect Appellate Judge Gus Thomas refused to reinstate an injunction which had been denied by the Jefferson Circuit Court to P. A. Aden, passenger conductor of the Louisville & Nashville railroad, against the railroad; B. M. Starks, general manager, and the following conductors: M. P. Graddy, A. J. Scates, A. M. Stevens and J. Barrett, all employed on the Memphis division.

And there are some people who seem to think the world owes them a high living.

CATARRHAL DEAFNESS

is greatly relieved by constitutional treatment. HALL'S CATARRH MEDICINE is a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced, your hearing may be destroyed forever. HALL'S CATARRH MEDICINE acts through the blood on the mucous surfaces of the system, thus reducing the inflammation and assisting Nature in restoring normal conditions.

SHE SPILED HIS APPETITE

One of our well-known members recently entered a restaurant, glanced at the menu and then looked at the waitress.

"Nice day, little one," he began. "Yes, it is," she began, "and so was yesterday. My name is Ella and I know that I am a little peach and have pretty blue eyes. I have been here quite a while and I like the place, but I do not think that I am too nice a girl to be here. If I did I'd quit my job. My wages are satisfactory, and I do not know of a show or dance in town to-night, but if there is one I shall not go with you. I am also from the country and I am a respectable girl and my brother is cook in this restaurant. He weighs over 200 pounds and it not a bit fat. One time he was a professional heavyweight fighter and still has a punch or two left! Last week he wiped up the floor with a would-be salesman, who got not over fifty a month, for trying to make a date with me. Now that you have all the information you probably want, what are you going to eat?"

INGROWN NAIL

Toe Nail Turns Out Itself If You Toughen Skin

A noted authority says that a few drops of "Outgrow" upon the skin surrounding the ingrowing nail reduces inflammation and pain and so toughens the tender, sensitive skin underneath the toe nail, that it can not penetrate the flesh, and the nail turns naturally outward almost over night.

"Outgrow" is a harmless, antiseptic, manufactured for chiropodists. However, anyone can buy from the drug store a tiny bottle containing directions. (F-tf)

ENDORSED AT HOME

Such Proof As This Should Convince Any Paris Citizen

The public endorsement of a local citizen is the best proof that can be produced. None better, none stronger can be had. When a man comes forward and testifies to his fellow-citizens, addresses his friends and neighbors, you may be sure he is thoroughly convinced or he would not do so. Telling one's experience when it is for the public good is an act of kindness that should be appreciated. The following statement given by a resident of Paris adds one more to the many cases of Home Endorsement which are being published about Doan's Kidney Pills. Read it.

Robert Link, proprietor grocery store, 1631 S. Main street, Paris, says: "I have found Doan's Kidney Pills to be the best kidney medicine I ever used and can't recommend them too highly. My back had given me no end of trouble and there was a steady, dull ache just over my kidneys. My kidneys acted too frequently, too. I began using Doan's Kidney Pills, and in a short time I was completely rid of the trouble."

Price 6c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Link had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. (adv.)

SWIFT & CO'S WEEKLY PRODUCE MARKET REVIEW

A smaller amount of butter has been manufactured during the week than the previous week, although it is in excess of the production of the corresponding week a year ago. The butter market is a little higher, resulting in higher paying prices throughout the producing territory. Fresh eggs are in light supply and bringing higher prices.

There has been a heavy movement of poultry during the past week, with good demand from consuming centers and no particular change in prices.
